## Who I am? You ask!

I have an Alt (a secondary character) at Vashj server in Europe. The name is Qston. If you ever play that server you will know the name ☺. I have many other characters in different server as well.

I have to admit I did not use a guide to level up and I did not use a guide to make my gold, but it did take me some time to learn how to do that. If you have time, and you want to do it yourself I wish you good luck, you may want to register to my WOW tips newsletter in <http://alons-newsletter.com>. If you want to speed up the process you need to consider buying one of these guides. Think of it like this, you are spending money every month on your WOW account. If you speed up your gold/level earnings you can start enjoying the game faster.

## If you ever purchase gold for WOW...STOP!!!

If you ever buy gold for your WOW account – You have to buy one of these gold making guides. Pay one time and learn how to do it yourself then coming back to buy gold time after time...
